

Verdigris Valley Community Foundation, LLC

A Tax Deductible 501(c) (3) entity

The Foundation gives you the opportunity to:

- Leave a Legacy
- Fund an area important to you
- Help the community

Purpose of the Community Foundation

To Serve As:

- A focal point for Total Community Planning.
- A vehicle to receive Grants from other Foundations, Donations from Individuals and Corporations, Scholarships and Memorials.
- A vehicle to establish and manage Endowment funds, Scholarships, and Memorials.
- A vehicle to make donations to Community Projects.
- A vehicle to provide staff and expertise in managing a foundation, writing proposals, and distributing funds to Donees.

Mission Statement:

The mission of the Verdigris Valley Community Foundation, LLC shall be to be a resource for improvement in the quality of life in the Verdigris Valley Community.

We will receive, administer and disburse funds that address our interest and goals. Gifts and contributions will be received and invested.

Income proceeds will be used for grants to qualified organizations and individuals. Qualified organizations and individuals are those within the meaning and spirit of Section 501 (c) (3) of the Internal Revenue code. We wish to reduce the burdens of government and provide support that the government cannot fiscally support.

Activity Information:

Activities we intend to address and support:

- Community and Economic Development - Facilitate infrastructure enhancement, recreation facilities, community activities and business development.
- Health and Medical Services - addressing health and medical requirements and services, as they arise.
- Cultural Enrichment Programs - encourage creativity, initiate programs and projects and assist existing programs.
- Historic and Heritage Preservation - identification, restoration, education along with support for those existing projects. Cemetery mapping and signage.
- Natural Resources and Environment - preservation, conservation and stewardship causes and programs.
- Other - a category to allow the addressing of unanticipated needs.
